SUMMER SEASON 23/24

What an incredible season it has been! Undoubtedly, this season is one to remember and we extend our gratitude to all who have participated. Throughout the year, we witnessed remarkable growth and evolution across all fronts, marking a significant milestone for the WPACT Summer Competition.

Our junior and senior divisions saw notable increases in team participation. Additionally, our social competition garnered tremendous success, enticing individuals back into the sport while also providing a welcoming entry point for newcomers.

Among the standout moments of the summer season was the inauguration of the Youth League competition, creating a pathway from junior to senior water polo. This is an important step towards increasing retention at a critical time in people's lives when most sports see a significant decrease in participation. We thank the clubs for their support of this concept.

We also welcomed Wagga Water Polo into The Dock Premier League Men's and Women's competitions. Wagga showed tremendous improvement from the first double-header to the last and has created significant momentum leading into next season. We want to thank the ACT clubs for their support of this concept, in particular ANU and Nordek clubs for travelling to Wagga in the inaugural year.

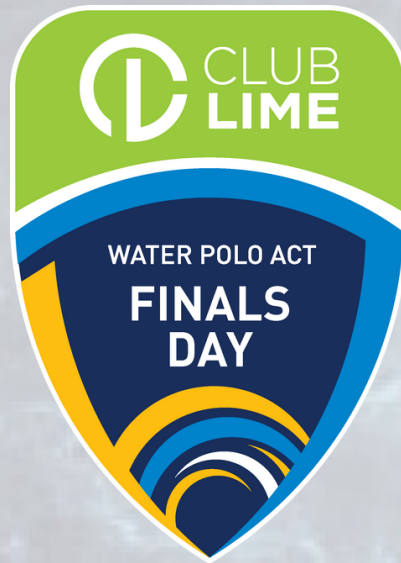

As we embark on the review process, gathering feedback from coaches, managers, and committee members, our objective remains clear: to further elevate our summer competition into the foremost event nationwide. We encourage all members to share their insights with their respective clubs, ensuring that Water Polo ACT hears your voices.

Once again, we extend our gratitude to each and every participant for making this year's summer competition truly exceptional. We eagerly anticipate your return next year for another thrilling season!

Ryan McDermott
WPACT, Chief Executive Officer
